14 **Section 1: Legislative Authority Over Policies**

- 23 B. Should a request be refused, the SA by simple majority vote may request the information be given to the Vice
24 President for Student and Campus Life who shall forward it to the SA. The Vice President for Student and

50 respond to any requests for information from the University President on its actions. The University
51 President may also request reconsideration of legislation proposed by the SA. Such a request must be filed
52 within thirty days of notification of the legislation. The SA will take action on such a request, and, if the

68 President.
69

70 **Section 4: Objection to Actions**

- 71 A. Objection of SA Actions by Another Assembly – Should another Assembly object to an action of the SA, at
72 its next business meeting, the SA will review the objection and either modify the original position to account

74 objecting body(ies) within five working days of reviewing the objection.
75 B. Objection by SA of another Assemblies Actions – If the SA determines by a two-thirds vote that the action

- 79 A. The Provost will consult with the SA in the formulation of the University Calendar. The SA may review and
80 ask for reconsideration of the calendar before it becomes final. In addition, the SA may propose changes in

88 SA meetings following the denial of the request. The SA will not request information falling into the following
89 categories: salary or wage records of specific individuals, academic or financial records of specific individuals,
90 medical or categorical (race, sex, age, etc.) records of specific individuals and information otherwise defined as
91 confidential or restricted by law.

92 **Section 7: President's Report**

93 The President of the University or his/her appointee will make a report in writing to the SA at the end of each
94 semester. This report will be due at the beginning of the last SA meeting of each semester. This report will include: 1)
95 the status of all policies and departments affected by campus governance legislation during the semester, 2) the status

Cornell University Student Assembly

- 103 B. At two times during the course of the fall and spring semesters, a student or student group (referred to as the
104 “submitter”) may submit a referendum of any topic of current student interest to the Student Assembly
105 general body upon successful collection of support from at least 3-percent of the registered undergraduate
106 student body (submitters should plan to collect at least 450 undergraduate signatures) according to the
107 following procedure:
- 108 i. The referendum must contain a single or a series of referendum questions that are neutrally worded
109 and call for a yes/no response. Once the submitter has started gathering signatures, the question may
110 not be changed or modified in any way. Submitters must collect signatures (defined as a willfully
111 submitted record of first name, last name, and NetID) exclusively from registered undergraduate
112 students at Cornell University. Digital and print solicitation methods are permitted, provided that the
113 referendum question and sponsoring student or student organization are clearly visible. An electronic
114 form (ex, Google form) may be used to gather the names and NetIDs of students, but the final
115 submission must be on the appropriate form provided by the Office of the Assemblies.
 - 116 ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the
117 election materials for the Fall and for the Spring. All deadlines will be advertised through the SA
118 monthly newsletter as well as the other usual publicity instruments. Once a referendum question with
119 the appropriate number of signatures has been submitted, the SA general body will roll call vote by
120 simple majority whether to hold the referendum. The vote will also make the provision for two
121 collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT
122 hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than
123 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by
124 collecting the signatures of at least 10-percent of the registered undergraduate student body using the
125 same method described in section A. 2. Once a referendum is approved or has gathered the support of
126 at least 10-percent of the registered undergraduate student body, the following timeline will be
127 observed:
 - 128 a. **STATEMENT PERIOD.** The Student Assembly Executive Vice President will put out a
129 call for pro or con statements regarding the referendum question. Any member of the
130 Cornell community may submit a statement. Each statement will be no longer than 300
131 words. The statements must pertain to the topic of the referendum question. The deadline
132 for pro or con statements will be seven (7) days from when the call was first made public.
 - 133 b. **PROMOTIONAL PERIOD.** Once the seven-day statement period has ended, the Student
134 Assembly Vice President for Public Relations has a period of three (3) days to promote
135 the referendum question and any submitted statements. The Office of the Assemblies will
136 distribute via email to all registered undergraduate students the following: information on
137 when and how to vote in the referendum, the referendum question, and any pro or con
138 statements submitted.
 - 139 c. **VOTING PERIOD.** The Office of the Assemblies will conduct the referendum on the next
140 business day following the conclusion of the promotional period. The voting period will
141 be exactly 36 hours. The Office of the Assemblies will display any pro or con statements
142 submitted during the statement period on the poll.
 - 143 iii. The Office of the Assemblies will publicly release the results of the referendum within one business
144 day following the conclusion of the Voting Period, including the percentage of the undergraduate
145 population that voted.
 - 146 iv. If a referendum has a majority of votes in favor of the submitter, then the President of the Student
147 Assembly will communicate the referendum question, a summary of each side of the argument, and
148 the results of the referendum to the Office of the President in the form of a referendum action.
 - 149 v. The Office of the Assemblies will record and make publicly available all communication between the
150 President of the Student Assembly and the Office of the President.

161 directly elected seat in both the UA and the SA during the same term.

163 student body should leave his office, then the seat shall be filled by the next highest-ranking non-winning
164 candidate. If there should not be a next highest-ranking non-winning candidate after the special election, the

517 who may answer questions of assembly members.
- 518 vi. If an applicant chooses to appeal the committee's recommendation, the Assembly will reconsider the

 - 535 c. a short description of each organization.
- 536

537 **Section 5: Specifications**

- 538 A. Members of the Assembly or the Appropriations Committee must disclose to the Vice President for Finance
539 any personal affiliations with applicants and must recuse themselves from any business related to such
540 applicants to prevent conflicts of interest.
541 B. Members of the Assembly and of the Appropriations Committee must sign a confidentiality statement and
542 submit it to the Office of the Assemblies before they are seated in the fall semester of a fee-setting year.

543 **Section 6: “Check-off” or “Pay-extra” Options**

544 Neither a check-off option nor an option to pay an amount in addition to the established SAF for specific programs
545 or services will be allowed for purposes of exempting a student from paying the full amount of the SAF. Exceptions
546 may be considered if recommended and approved by the Student Assembly and approved by the President of the
547 University.

548 **Section 7: Voting**

549 Proxy votes shall not be permitted for decisions of the Student Assembly regarding the SAF during the SAF allocation
550 process. The Student Assembly must approve the appropriations committee decisions by a majority of Student
551 Assembly members present at the meeting and can overturn an appropriations committee decision by a two-thirds
552 (2/3) vote of Student Assembly members present at the meeting. If the Student Assembly overturns a decision of the
553 appropriations committee, the Student Assembly must decide Activity Fee funding for that organization by a majority
554 of the Student Assembly members present at the meeting. After all appropriations committee decisions have been
555 approved or overturned, the Student Assembly must approve the SAF by a majority of the voting membership of the
556 Student Assembly

557 **Section 8: Freedom of Information**

558 Unless otherwise noted, all documents regarding the SAF shall be considered public and shall be available to members
559 of the Cornell community for review within 24 hours of their request. All deliberations regarding allocations and
560 authorization shall be conducted in open session unless otherwise required by university policy or law. If a closed
561 session is necessary to review or discuss confidential materials, discussion in such session must be limited only to
562 those materials and no vote may be taken regarding the disposition of the request itself. Confidential materials may be
563 disclosed publicly only at the discretion of authorized university personnel.

564 **Section 9: Conference with GPSA**

565 If a disparity arises in funding levels between the GPSA and SA of an organization that is funded by both, the
566 financial officers of each body will meet to discuss the discrepancy and recommend action to their respective bodies.
567

568 **Section 10: Default**

569 If the Assembly does not adopt a recommendation in the fall semester of a fee setting year, its recommendation shall
570 be presumed to be that all individual by-lines revert to the same level as in the current funding cycle with the
571 following exception:

- 572 1. Should an applicant's newly approved allocation be less than that of the current cycle, the applicant shall
573 receive the lower allocation.

574 **Section 11: Amendments**

575 Appendix A may be amended by a two-thirds (2/3) vote of the Student Assembly. In order to ensure consistency and
576 fairness to the applicants and student body at-large, no amendments to this appendix may be adopted during the fall
577 semester of a fee-setting year.

578 **Section 12: Review**

579 The SA and the GPSA and a representative of the President of the University shall review these guidelines and the
580 procedures established in accordance therewith at least every four years in a non-fee-setting year (e.g. 2014-2015,
581 2018-2019). This review shall be conducted with strict adherence to the guidelines set forth by the Board of Trustees
582 in Attachment A: Criteria for Setting and Allocating the Student Activity Fee (03/01/99).

583 **Section 13: Criteria for Setting and Allocating the Student Activity Fee from the**
584 **March 1, 1999 Delegation of Authority**

- 585 A. Pursuant to a letter dated March 1, 1999, the President of the University has delegated responsibility for the
586 setting and allocation of the Student Activity Fee to the Student Assembly (SA) and the Graduate &
587 Professional Student Assembly (GPSA) within the following guidelines:
- 588 B. The SA and the GPSA shall each amend their respective charters to include the criteria for the setting and
589 allocation of the Student Activity Fee, including the guidelines set forth herein and which criteria shall be
590 reviewed by and meet the approval of the President of the University.
- 591 C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set
592 every two years for a period of two years by the SA and the GPSA, respectively.
- 593 D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of
594 the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting
595 process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the
596 applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-
597 setting year. The final report must be sent to the President of the University by the last day of finals of the fall
598 semester.
- 599 E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee,
600 an organization must meet the following criteria:
- 601 i. Register as a student or university organization with the Student Activities Office
- 602 ii. Allow students equal access to the services being provided by the organization or participation in the
603 organization's activities
- 604 iii. Operate primarily for students by students with funds disbursed through a university operating
605 account
- 606

Cornell University Student Assembly

- 607 iv. Have an advisor to assist with oversight of the university operating account.
- 608 F. Funding from the monies collected through the Student Activities Fee may be provided directly to an
- 609 organization, which applies for and receives “by-line” funding status, outside of the established Student
- 610 Activities Funding Commission or Graduate and Professional Student Activities Funding Commission
- 611 processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding
- 612 must demonstrate:
- 613 i. Its activities are of direct and primary benefit to the entire Cornell community represented by the
- 614 respective assembly; and
- 615 ii. It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.
- 616 G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are
- 617 not registered organizations (e.g., Students Helping Students, club insurance) but whose organizational
- 618 structure and programs and services are consistent with the criteria outlined above for by-line funded
- 619 organizations. Such funding would require the approval of the respective assembly and the President of the
- 620 University.
- 621 H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-
- 622 line funded organizations and the Student Activities Funding Commission or Graduate and Professional
- 623 Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of
- 624 their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-
- 625 by-line funded organizations.
- 626 I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be
- 627 permitted to increase the Student Activities Funding Commission's allocation above their request to reach an
- 628 even dollar amount.
- 629 J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity
- 630 Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full
- 631 amount of the Student Activity Fee, due to the funding instability inherent in administering such a system.
- 632 Exceptions may be considered if recommended and approved by the respective assembly and approved by
- 633 the President of the University.
- 634 K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the
- 635 GPSA and a representative of the President of the University at least every four years in a non-fee-setting
- 636 year.
- 637

APPENDIX B: STUDENT ASSEMBLY GUIDELINES FOR FUNDED ORGANIZATIONS

Section 1: Preamble

Each organization that receives funding from the Student Assembly (SA) through the Student Activity Fee (SAF) is subject to Guidelines set by the Assembly in consultation with the Graduate & Professional Student Assembly (GPSA), these organizations, and the Cornell student body.

Section 2: Student Assembly's Role and Obligations

- A. **SA Charge:** As the student-elected governing body at Cornell University, the SA shall seek out and voice effectively the interests and concerns of the student body.
- B. **Notice of Current Governing Documents:** The SA shall provide each by-line funded organization, the Director(s) of Campus Activities, Campus Life, the GPSA, and the Dean of Students with a current copy of these Guidelines, as well as the SA Charter and the SA Appropriations Committee Charge and Guidelines each year.
- C. **Notice of Pending Legislation:** Each by-line funded organization, the Director(s) of Campus Activities, Campus Life, the GPSA, and the Dean of Students shall be notified of any SA, SA Appropriations Committee, or other meeting in which legislation concerning or affecting Fee recipients is pending.
- D. **Outreach:** The SA Vice-President for Finance shall, wherever possible and as often as possible, attend meetings of each organization throughout the year.
- E. **Enforcement, Violations & Penalties**
 - i. The SA Vice-President for Finance shall be charged with investigation of all accusations regarding violations of these guidelines and will report such findings to the SA.
 - ii. If the SA determines that an organization has committed a violation, the SA may impose a fine, reduction or revocation of the organization's by-line funding allocation. In order for a fine, reduction, or revocation of funding to occur, a two-thirds majority of the SA must concur. Reasons for a fine, reduction, or revocation of funding include, but are not limited to, violation of these rules, violation of campus policies, or violation of contract. Any money garnered from a fine on an organization shall be placed in the Special Projects Fund of the Student Assembly. If a reduction or revocation of funding affecting the remainder of the funding cycle occurs, the University shall attempt to reduce the SAF to reflect the lower amount. Excepting that, the money shall revert to the Special Projects Fund.

Section 3: General Guidelines

All recipients of the SAF shall adhere to the following guidelines:

- A. **Eligibility:** SAF allocations are to be used primarily for the benefit of undergraduate students. Organizations that have the capability to be student run and led shall be primarily student run and led.
- B. **Event Ticketing:** For all events (concerts, lectures, films, etc.) funded by the Fee allocations and for which admission is charged:
 - i. Cornell students shall receive a reasonable discount per event to reflect their prior contribution via the SAF.

Cornell University

Student Assembly

677 ii. Cornell students shall receive the first opportunity to purchase tickets or (otherwise should have a
678 substantial amount of tickets reserved for student use).

679 iii. The Appropriations Committee or the Executive Committee shall have the ability to request that
680 organizations publish a report to the SA on the amount of money received for an event, where that
681 money has been allocated, total attendance, and how much money was spent on the event.

682 C. **Attendance Tracking:** Each By-line Funded Organization shall, whenever possible, provide accurate
683 attendance figures. Organizations shall conduct a review during each Byline Funding Cycle of the
684 demographics of students who use and are impacted by their services and shall report to the SA Appropriations
685 Committee the attendance figures, expenditures, and incomes generated from each event held during the two
686 previous academic years. Organizations shall record the number of undergraduates who attend each program
687 and event, utilizing the built-in system in Campus Groups that allow individuals to sign up for events. Such
688 figures may also be acquired through a number of measures including swiping Cornell ID's, using a ticketing
689 system, keeping a sign in sheet, or having someone at the door count entrants. For events that are expected to
690 exceed a capacity of 100 attendees, organizations are required to track attendance through a ticketing system or
691 using Cornell ID Scanners. For organizations unable to purchase their own scanners, scanners will be available
692 to rent through the Office of the Assemblies. For events where tracking attendance would provide an
693 unnecessary burden to organizations, a brief written statement explaining why attendance was not taken is
694 required.

695 D. **Funds Reporting:** Organizations shall operate using their accumulated surplus and the Student Activity
696 Fee disbursement. During each Byline Funding Cycle, organizations are expected to report on the
697 supplemental cost per-student provided for by the SAF. Organizations shall track both undergraduate and
698 graduate contributions to events and programming. Organizations shall notify the SA Vice President for
699 Finance if they are expected to require more than their SAF allocation in a given year

700 E. **Public Promotion & Engagement:** Each organization shall regularly advertise its existence and encourage
701 student participation at its meetings, which shall be open to the public. Each byline-funded organization and its
702 sub-organizations will be required to include the SA logo or the following statement on all fliers, posters,
703 promotions, programs, and literature "Funded in part by the Student Assembly".

704 F. **Funds Partitioning:** SAF money will preferably be held in a separate University account for accounting and
705 reporting purposes. Otherwise all expenditures from SAF money shall be authorized by the Organization in
706 accordance with its governing documents. These requirements apply to all organizations unless explicitly
707 exempted in this Appendix or waived by a two-thirds vote of both the Appropriations Committee and the
708 Student Assembly. The waiver shall apply for one by-line funding cycle.

709 G. **Prohibition on Compensation:** No Advisor, President, Treasurer, staff member, other officer, or member
710 of an organization may be compensated from an organization's SAF account or SAF earned income account.

711 H. **SA Liaisons:** The SA shall have the option of appointing a Student Assembly member to serve as a non-
712 voting liaison to each organization or, where appropriate, to its Executive Board. If an organization feels their
713 liaison is failing in their duty, a new liaison may be appointed.

714 I. **Off-Year Reporting:** During the fall of even-numbered calendar years each organization shall provide the
715 Appropriations Committee with a written account of the use of its fee allocation and operations for the
716 previous academic year, and an optional oral summary of its activities (unless mandated otherwise by the
717 Appropriations Committee), including usage statistics and future programming plans. The SA Vice President
718 for Finance will conduct an unofficial vote regarding the committee's recommendation on whether or not the
719 organization should receive an increase in funding, a decrease in funding or maintenance of funding at its
720 current level. The SA Vice President for Finance shall then provide a written summary report of these
721 meetings to the SA.

722 J. **New Organization Reporting:** Organizations receiving By-Line funding for the first time in the current
723 funding cycle shall report each semester to the Appropriations Committee on their operations and finances.
724

Cornell University

Student Assembly

- 725 K. **Sub-Organizations:** All organizations that fall under a byline-funded umbrella organization must be
726 registered. Byline-funded organizations shall provide a description of how funds are allocated to each
727 organization under their umbrella. If applicable, each sub-organization shall receive funding from its umbrella
728 organization for at least one event open to the public, every academic year. Sub-organizations shall only apply
729 for funding from their umbrella organization and will not be allowed to receive funding from any other byline-
730 funded organization, including SAFC. Umbrella organizations will similarly be ineligible to receive funding
731 from other byline-funded organizations. Byline-funded organizations shall provide a semesterly budget report
732 for all the events held by sub-organizations during the two previous academic years.
- 733 L. **Conferences:** Organizations may send Executive Board member(s) to one annual conference, if desired. The
734 Appropriations Committee must approve organizations' conference expenditures and each organization must
735 demonstrate to the committee that conference attendance will benefit the Organization's ability to achieve its
736 mission statement. Organizations shall request approval in their annual fall report to the SA.
- 737 M. **Spending Limitations:** All conferences, teambuilding, banquet, training, and other social expenditures for
738 organization members, in sum, shall be no greater than \$4,000 or 10% of the organization's by-line allocation,
739 whichever is less. This rule shall not apply to SAFC-funded organizations. Funds from an organization's
740 byline allocation cannot be used to purchase food for executive board meetings.
- 741 N. **Governing Document Approval:** All organizations must submit any changes in the Organizations' bylaws,
742 constitution, or other governing documents to the SA for its approval.
- 743 O. **Non-discrimination:** All organizations receiving Student Activity Fee funds directly or that receive such
744 funds indirectly from a by-line funded organization shall not discriminate on the basis of actual or perceived
745 age, race, religion, creed color, national origin, ethnicity, sexual orientation, gender identity or expression,
746 military status, sex, disability, predisposing genetic characteristics, familial status, marital status, domestic
747 violence victim status, or any combination of these factors when determining its membership and when
748 determining the equal rights of all general members and executive board members, respectively, which shall
749 include, but are not limited to, voting for, seeking, and holding positions within the organization.
750 Additionally, all organizations receiving funding from the Student Activity Fee and that serve as a funding
751 source for other organizations on campus shall not discriminate on the basis of actual or perceived age, race,
752 religion, creed, color, national origin, ethnicity, sexual orientation, gender identity or expression, military
753 violence victim status, or any combination of these factors when awarding funding.
- 754 i. Notwithstanding these requirements, a club sport may make requirements based on competitive
755 athletic skill which may result in a club sport of one or predominantly one gender. Organizations may
756 also make requirements based on vocal range or quality which may result in a chorus or choruses of
757 one or predominantly one gender. Organizations that participate in activities with governmental age
758 restrictions may also make appropriate requirements on the basis of age.
 - 759 ii. Organizations may also enforce uniform standards of conduct as a prerequisite for obtaining some or
760 all rights of general members and executive board members, respectively, so long as said standards
761 are protected by the 1st Amendment of the United States Constitution in the context of a public
762 university and do not impede enforcement of Appendix B, Section II, subsection E.
 - 763 iii. Each organization receiving Student Activity Fee funds directly from the Student Assembly shall
764 include a "Non-discrimination Clause" section in its bylaws, constitution or other governing
765 documents reflecting this policy.
766
