

Resolution 8: Recommendation for Revision of the Campus Code of Conduct

Abstract: For multiple academic semesters, the University Assembly and Codes and Judicial Committee have been engaged in revising the Campus Code of Conduct. This resolution expresses appreciation for the many members involved in this process and encourages the University Counsel to combine aspects of both the recommendations of the current Codes and Judicial Committee draft and the Office of the Student Advocate draft as the next step towards finalizing a new Code. The University Assembly recommends that the combined version be available for public comment and review during Summer 2020 before a final vote in October 2020 by the Cornell Trustees.
